Dear Valued Customer,

Due to the ongoing threat of COVID-19, we have made a decision to close the business for an extra 4 days over the Easter break. We will be closed from 3:30pm on Thursday the 9th of April 2020 and we will re-open from 7:00am on Monday the 20th of April 2020.

It is with great regret that we have had to do this but in the best interest of the staff and our customer's health it must be done.

Measures have been put into place to keep our staff as far apart as possible to comply with the new regulations. All deliveries from now on will be palletised where possible and all invoices and relative paperwork will be emailed to the company to be passed on to the correct people.

During this time off I will be working from home, so I am contactable on the number to the left, but what I can do will be limited, as I am not able to make anything or send it out.

If there is anything that is urgent during this time it would be recommended that we send it out before this time off where possible.

**BE POSITIVE, PRACTICE GOOD HEALTH
AND WE WILL ALL GET THROUGH THIS**

Thanks in advance

Jamie Pearson
Manager
